### CHECKLIST OF REPORTS

Issued by  
The Economic Research Service and The Statistical Reporting Service  
For September 1962

#### SPECIAL ERS PUBLISHES NEW MAGAZINE

The Farm INDEX, a new monthly magazine of the Economic Research Service, began publication in October.

The Farm INDEX will report in nontechnical language the results of ERS's broad research program. This material will be grouped according to the special interests of farming, marketing, the foreign market, and the consumer.

Regular features will be a two-page digest of the Agricultural Outlook, a table presenting the latest figures for 50 leading indicators of economic developments in agriculture, marketing, and the general economy, and brief review of current ERS research publications.

You can obtain single copies of The Farm INDEX by writing: Division of Information, Management Operations Staff, U.S. Department of Agriculture, Washington 25, D.C. Subscriptions are available from the Superintendent of Documents, Government Printing Office, Washington 25, D.C. for \$2.00 a year, \$2.75 foreign.
